Dear Parent,

Thank you to The Friends of Worfield for the cheque which the school received this week for £1555 This money was raised through the school summer fete. We will now be able to place an order for a number of new desktop computers for classrooms where old machines need replacing as well as buying new laptops or tablet devices to enhance learning opportunities across the school.

All parents are eligible to join The Friends of Worfield. Our next meeting is planned for Wed 1st October at 9am and it would be fabulous if you could join us. At this meeting we are hoping to appoint two new trustees who will then be registered with the Charity Commission. Ideally, one of these trustees would also be our treasurer with the skills to oversee the efficient financial running of the charitable organisation. If you are interested in either of these voluntary positions then please do try to come along to the meeting to find out more. It would be particularly good to welcome parents of our new Reception or Nursery children to The Friends. At a time when school funding is tight, and we have to do increasingly more with limited funds, fundraising events organised by The Friends ensure that we are able to provide resources and opportunities to Worfield pupils that otherwise might not be possible. If you are able to offer support in any way then please do try to come along to the meeting or, if you can't make it, let the school office know of your interest.

Don't forget that next Friday children can wear their jeans for school in exchange for a £1 donation to the charity Genetic Disorders UK.

Wishing you a lovely weekend,

Claire Gaskin
Headteacher
