Christingle

This year, the Christingle Service will be a family service held at St Peter's Church, Worfield. We would love to see many of our pupils, accompanied by their parents, at this magical service which really marks the start of our Christmas celebrations. Everyone is welcome to attend the Church Christmas Bazaar from 1.30pm onwards, during which children can make their Christingle oranges, then stay (or return later) to the candlelit Christingle carol service which will commence at approximately 4.30pm.

From 1.30pm there will be stalls, tea and cakes, and craft activities for children. Please come along and join us for this community event and celebrate the first Sunday of advent at our magical Christingle service.

Mumbles Class - Spaces Available!

Spaces are available for **nursery age children in our Mumbles Class** for September 2019. There are also still a few places available in our school nursery class, which is taught by Mrs Tarrant, from after Christmas. (Please note that Caterpillars is **not** the school's nursery provision). Mrs Dodsworth, our EYFS leader, would be happy to show you around our Early Years Foundation Stage setting and answer any questions you may have.

If you know of any families who have recently moved into the area, or may be interested in a place for their child, please contact Mrs Norgrove in the School Office. We would be happy to show them our Early Years Foundation Stage Unit and provide an opportunity for them to meet our staff and see the excellent educational provision that we offer. Our data shows us that children who attend our school nursery class and then join our Reception class, often achieve higher outcomes in all aspects of the EYFS assessment profile.

Dear Parent,

At the recent meeting of the full governing body of The Trinity Federation, governors approved the School Development Plan for 2018-20.

The School Development Plan is an important document which enables the school's vision to be shared and understood by the whole school community. Our aim is to work and learn together as a community in order to further improve our school and be the best that we can be. The School Development Plan is designed to give a clear focus to those aspects of our work which we believe to be the key development priorities for the school.

The School Development Plan should give everyone an understanding of where the school is going and what actions will be taken to ensure we achieve our objectives. Our actions are always focused on further improving outcomes for our children. We set clear timescales for implementation and determine how to effectively use both human and physical resources to support specific objectives. It also helps us plan and prioritise our budget and guides how we plan and organise staff training.

Should you wish to read it, you can find our School Development Plan for 2018-20 on the school's website.

Yours sincerely,

Mrs C. Gaskin

Executive Headteacher
The Trinity Federation
