Dear Parent,

I am sure that you will be delighted to hear that Worfield School have been awarded the Active Schools Award for Recognition of School Sport. Last night Mr Jones and Mrs Berrow attended a prestigious event to receive the award.

Mrs Berrow said, "The evening was amazing, with some big sponsors attending, such as Shropshire Star , Rybrook BMW, Shropshire Radio, TCAT plus a few more. The guest speaker was Neil Back MBE, who was part of the winning Rugby team at the 2003 Rugby World Cup."

The evening also acknowledged Mrs Berrow's contribution to our school's sports provision. In her role as School Sports Co-ordinator Mrs Berrow's energy and commitment is clearly central to our success at sporting events. Congratulations!

Thank you also to all of our children who regularly participate in after school sports whether this be to train or to compete on behalf of the school and parents who support these events.

With best wishes,

Claire Gaskin  
Executive Headteacher

### School policy reminder:

I would like to remind parents and carers of their responsibilities regarding their use of social networking in relation to our school. Methods of school communication include the school's website, newsletters, other letters and verbal communication. The school offers an open door policy and any parent who has concerns over any aspect of their child's education is encouraged to speak to their child's class teacher in the first instance. Parents should therefore raise concerns through official school channels rather than posting them on social networking sites. Parents should not post malicious or fictitious comments on social networking sites about any member of the school community and neither should parents create social media accounts which appear to be associated with the school i.e. group pages on Facebook in the name of the school.

### Valentine Disco

We would like a group of parents to organise a fund raising school disco for the children on Thurs 11<sup>th</sup> February 2015.

If there is a new group of parents who would like to help out in this way and can work together to arrange an after school Valentine disco in the school hall, please inform the school office or contact us via the school website.

This working party will organise and arrange the disco but help and any support with making the arrangements for the disco will be given if requested.

Or if you would like to get involved or have any ideas for other school fundraising events and activities – please contact the school via the office or the school website.

www.bag2school.com

### **Our next collection date Fri 20<sup>th</sup> November**

**Bag2School** is a company that specialise in recycling textiles.

Please help us raise funds for our school by filling a bag with unwanted adult and children's clothing, soft toys, shoes, belts and handbags.

Any type or number of bags can be used and the more bags you fill the more money can be raised.
