Dear Parent,

At Worfield Primary School we are all really excited to be taking part in Sport Relief 2018! As one of the UK's biggest fundraising events, Sport Relief brings the entire nation together to get active, raise money and change lives.

This year, Sport Relief will be taking place in schools and nurseries between Monday 19th March and Friday 23rd March.

To do our bit and raise money we will be:
Taking part in the 5 Million Step Challenge!

The Trinity Federation will be working together to attempt to clock up 5 million steps throughout the sport relief period. The children, across all three schools, will be dancing, skipping and running their way to 5 million steps! To raise money, the children will be bringing home sponsor forms next week for you to sign.

On Friday 23rd March children are invited to attend school dressed in their sporty clothes in exchange for £1 for Sport Relief.

The best thing is, the money raised is spent by Comic Relief to help people living incredibly tough lives, both at home in the UK and across the world's poorest countries. To learn more about how Comic Relief spends the money raised for Sport Relief please visit sportrelief.com/schools. We will also be using Sport Relief as a teaching opportunity so that your children can learn about the issues other children across the world face, and how the money we raise can help them.

We really appreciate your support and hope that you'll have fun helping our school raise lots of money for Sport Relief!

Yours faithfully,

Mr K. Jones
