Dear Parent,

Welcome back to the Summer Term!

I have pleasure in providing you with a copy of our latest Ofsted report. As you will see from the report, our school has been judged to be good in all aspects of its work and it is therefore a 'Good School' overall. We are delighted that this report acknowledges the improvements which we have made since our last inspection, particularly in further raising the quality of teaching and in developing high quality provision in our Early Years Unit. The report supports our school self-evaluation and provides us with clear development points as we continue on our journey to becoming outstanding. I would like to thank all the staff for their continued hard work and dedication to the school and in particular, their determination to be the best teachers they can be for our children. I would also like to express my thanks to all parents for their continued support; I was overwhelmed by the extremely high percentage of positive responses to the Ofsted parent questionnaire. I do hope that you find time to read the report in full.

With best wishes for a lovely bank holiday weekend,

Mrs Claire Gaskin, Headteacher
