Dear Parent,

This week our Year 6 children have been a credit to us; approaching their SATs with maturity and a determination to do their best. We now have an anxious wait for results as the papers are sent away for marking. Thank you to Nicci Hawker for very kindly providing croissants for yesterday's SATs breakfast club.

I'm often approached by children asking if they can 'do something' for charity. This term I have seen an increase in requests from some of our younger children and I feel it is important to support this desire to help others. As such, this Friday afternoon there will be a few charity stalls on the middle playground where children can buy small 'homemade' items such as loom bands and cakes. Children are invited to bring a small amount of money to school if they wish to visit these stalls. Children have various charities they wish to support.

As we continue to prepare for our school summer fete we would be grateful of any donations of good quality bric-a-brac. Donated items can be sent to the school office.

Kind regards,

Claire Gaskin  
Headteacher
