Dear Parent,

I would like to thank those parents who have already returned their federation response form to school for our Chair of Governors. I would also like to make you aware that 'Frequently Asked Questions' with regards to the federation proposal will be updated on our school website on a weekly basis to reflect the responses received. Please try to look at the federation proposal area of our website over the six week consultation period as this may help to clarify and extend your understanding of the proposal.

The meetings being held on Thursday 12th June and Friday 13th June as detailed in the proposal form are 'surgery style' meetings which means anybody with questions, concerns or wishing to talk through their support for the proposal may have an individual meeting with the Governors present - operating much like a Councillor's or an MP's surgery. No appointment is necessary and those wishing to attend can turn up at any time within the allotted times. However, you may need to be prepared to wait to be seen.

Many thanks also to everyone who has already donated bottles and bric-a-brac for our Fete. We do still need more, and look forward to receiving lots of jars filled with interesting things and delicious cakes to sell on our stalls.

Kind regards, Claire Gaskin
