Dear Parent,

For our Year 6 children, next week is a very important week in school. It is the week when Year 6 children across the country sit their SATs. Our Year 6 children have prepared well for the week ahead and I know that you will join with me in wishing them well as they strive to do their very best.

As you are already aware from my previous correspondence, the preparation and cooking of school meals will shortly move to the more spacious and well equipped kitchens at St Mary's Bluecoat School. AiP, our school dinner providers, would like to invite parents to a school dinner taster session from 2.45pm until 4pm on Tuesday 21st June in Worfield School hall. It won't be a trip down memory lane to chocolate concrete and green custard, but a sample of the nutritious school meals from the school lunch menu for you to see and taste. We hope that you are able to drop in.

Best wishes for a lovely weekend,

Mrs C. Gaskin

Executive Headteacher

Friday 13th May - Last day for Y6 parents to apply for secondary school transport

There are three ways you can apply:

Dear Parent,

The Friends Of Worfield have registered the school with TheGivingMachine which will allow you all to generate cash donations for the school without it costing you a penny. TheGivingMachine is a UK registered charity, whose sole aim is to facilitate raising money for UK charitable causes and schools. By shopping online via TheGivingMachine at your favourite shops you will generate a free cash donation with every purchase that you make.

We are asking parents who shop online to join www.TheGivingMachine.co.uk. It's really simple, you enter your favourite shops via TheGivingMachine and a percentage of your shopping bill is converted into a cash donation for the school, at no extra cost to you.

Please join our new fund raising scheme by visiting www.TheGivingMachine.co.uk

Many thanks for your continued support.
