Dear Parent,

This week our Year 6 children have been a credit to us; approaching their SATs with maturity and a determination to do their best. We now have an anxious wait for results as the papers are sent away for marking.

Thank you to the parent helpers, Sarah Taylor and Kelly Bradburn who assisted with reading during the tests, and to Helen Thomas who assisted with reading during the test and revision exercises in the weeks leading up to this.

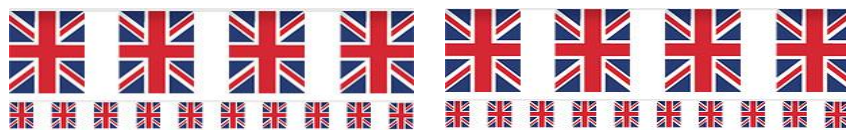

At last the sun has put in an appearance and we have been able to make good use of our outdoor environment. The school gardening club have been busy planting hanging baskets and pots to go around the school grounds. We would appreciate donations of seeds, plants and compost and we are desperately in need of gardening tools including spades, trowels, and watering cans. If you have any spares please send them in to Mrs Williams.

We are delighted to have received formal recognition for our inclusive provision for those children with dyslexia. We are now an accredited Dyslexia SpLD Trust school.

Best wishes for a lovely weekend,

Mrs C. Gaskin

Queen Elizabeth II 90th Birthday Celebration 6th - 10th June

To mark this special and historic occasion the teachers are planning a week of creative work with a royal theme for all our children. The week will culminate with a royal picnic and birthday bake-off on Friday 10th June.

AIP our school meal provider will prepare the special royal picnic menu. (more details to follow)

For the 'Big 90th Birthday Bake Off' we are inviting all our children to bake at home and bring their cakes to school to sell during the afternoon on Friday 10th June. All the money raised will go to support charities within the UK and the Commonwealth of which the Queen is Patron.

Children and staff are invited to wear red, white, and blue on 10th June.

Rounders

Last Friday a team of Year 4 pupils went to Oldbury Wells School to take part in a friendly rounders tournament. The event had been organised by a group of Year 13 BTEC sports students as part of their course assessment. The afternoon started with a picnic in the sunshine, followed by a round-robin of games against 4 other primary schools. Worfield displayed some excellent batting skills, creating several rounders throughout the matches and finishing in 2nd place. Another podium win for Worfield!

KS1 Multi-Skills Festival

The annual KS1 Multi-Skills Festival was held at St. Leonards Primary School on Monday afternoon. Several schools from the Bridgnorth area took part in a variety of fun activities and mini-games, which encouraged the children to work as part of a team. Thanks to all the parents that helped.
