Dear Parent,

Reflecting on the number of sporting fixtures that have taken place, or are due to take place before the end of term, it is with absolute pride that we marvel on how many children throughout Worfield School have had the opportunity to take part in so many different types of sporting activities and, who have, as a result of the clubs run in school, brought back trophies and medals. This is particularly evident in our superb performances in cricket. Worfield Primary have shone in all three of the major Kwik Cricket tournaments this year, winning all three competitions in style and now going on to take part in all of the County Finals. Well done to our cricketers!

It is amazing to think that such a small, village school can have such an impact on our wider sporting community. We are extremely lucky to have wonderful links with our local clubs. This year in particular, due to an unforeseen shortage of county funding, we are extremely grateful to Worfield Cricket Club who have stepped up to the crease and provided top quality coaching and support which has enabled us to continue our growth of young talent and provide opportunities for young people to develop their enjoyment of the sport. We are sure that this continued support has been a vital key in Worfield's cricket success this year and in previous years. If your child has a flair for cricket then we would advocate contacting Worfield Cricket Club to learn more about what the club can offer your child.

With kind regards,

Mrs C. Gaskin
Executive Headteacher

Mrs Berrow
School Sports Coordinator

AIP Taster Session

Tuesday 21st June 2.45-4pm we are having a school dinner taster session in the school hall. Parents are invited to come and taste the food and meet some of the lunchtime team .

Bring your filled bags in on Monday morning and leave them in the hexagon

Charity Fund Raising

To date the Queen's Birthday Bake-off' has raised £25.54 for the RSPCA and £134.30 for the RNLI 'bake for boats' appeal. The beautiful birthday cake made by Mirtha Walker was raffled, and the winner was Harriet Walton.

Snowdonia are currently counting up the money in their 'welly boot' and the final total amount raised for the RNLI will be announced next week.

Emily Marren and her friends have been raising money for Cancer Research with cake sales and a raffle, her money has been forwarded through 'just giving'

Many thanks to everyone for your kind donations

SPORTS NEWS

And that's a hat trick!

The year 6 & under boys cricket A Team managed to finish the local Kwik Cricket season off in style, by not only winning all 4 of their pool games, but annihilating their opponents in the final, by a difference of 82 runs. Throughout the 5 games the team got a staggering 581 runs and took 24 wickets. They now go on to play in the county finals at Wellington Cricket Club, next Tuesday.

Good luck boys.

In addition, Worfield's up-and-coming B Team, displayed some fantastic progress throughout the day, with evident improvement in batting, bowling and fielding skills. A total of 206 runs and 7 wickets were totalled. With a mixed team of year 4,5 and 6 the future looks very promising for Worfield.

If any pupils are interested in playing cricket or if parents would like further information about their local clubs, please contact Mrs Berrow, who would be happy to help.

C4L Multi Games Festival

On Tuesday, six year 4 students had the opportunity to take part in a multi games tournament, which was run by the staff and student leadership team at William Brookes School. The event gave nearly 100 pupils the opportunity to try out various mini-games, linked to skills for a number of sports such as hockey, tennis, cricket, golf and other team based games. Worfield thoroughly enjoyed the experience and will definitely be sending a team next year.

Bridgnorth Walk

Can all pupils who took part in the 50th Bridgnorth Walk please bring sponsor money into school, marked for the attention of Mrs Berrow.

Polite Request

Due to the high volume of sporting events that are coming up, would parents please ensure that the consent forms are brought back in to school on time. If your child is unable to take part, can the form be returned quickly, stating this, so that another child has the opportunity to take part.

Nits

We have head lice in school, please check your child's hair and treat if necessary.
