Dear Parents,

Welcome back after our Easter break. The children have made a positive start to the term and now the weather is improving they are enjoying playtimes on our field.

I know that our Year 6 pupils who are about to embark on SATs tests have been working hard in preparation for next week. As anyone who has sat an exam is aware, it can be an extremely stressful time and it is important to look after mind and body. Therefore, please look after each other and show kindness and understanding, even though tempers may be short and anxiety high!

If anyone needs help, support or advice from the school during this demanding time, please do not hesitate to contact us as we have much experience in helping both children and families. I know that you will join with me in wishing Year 6 well as they strive to do their very best.

Best wishes

Mrs C. Gaskin

Executive Headteacher

Walk to School Week 15-19 May 2017

We know that walking to school makes children feel healthier and happier, while reducing congestion and pollution outside the school. Yet less than half of primary school children currently walk to school.

Join thousands of children across the country celebrating the benefits walking brings, and walk to school this week.

And don't forget.....Friday is our walking bus.

The bus runs at 8.25am every Friday from the Village Hall. It is 'driven' by our parent volunteer drivers. If your child would like to join the bus please collect a registration form from the office.

The Bridgnorth sports apprentices have organized an evening of fun. Come along and take part in this family event. There will be a range of activities including orienteering, ultimate frisbee and rounders.

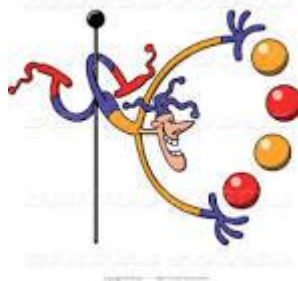

Multiple prizes to be won!
