Clubs News:

Last week of clubs this week.

There will be no clubs next week - with the exception of cricket.

Letters will be sent out at the start of the Summer Term for children to select which clubs they would like to attend next term.

Dear Parent,

As we approach the end of the spring term preparations are underway in each class to mark an important event in the Church Calendar - Easter. Our special Easter service will be held at 9.30am on Tuesday 24th March at St Peter's Church and I do hope that many of you will join us for the ceremony which is to be led by Rev Jeanetta Stokes. Each class will be contributing to the service.

Many thanks to the parent volunteers who helped run our recent book fair and thanks to all the parents who bought books. The book fair raised £199.83 in commission to be spent on books for our school library.

Children in Chilterns class had a visit from the charity Action Aid this week as part of their geography topic on Brazil. Following this visit several children felt very strongly that our school should sponsor a child that lives in poverty and that they want to organise their own fundraising activities. I have received letters from the children which are very moving and which highlight the empathy and compassion the children of Worfield have for others.

Claudia writes, "Wouldn't you like to help children who aren't as lucky as us? We already have everything we need. We could invite Jenny back and she could talk in assembly and make everyone agree we should sponsor a child".

In light of the this request, I have asked Jenny from Action Aid to deliver a special assembly on Thursday 19th March at 9.10am to talk to all the children - parents and governors are invited too. She will tell us more about what is involved for our school to sponsor a child for a year. Please come along if you are interested to learn more!

With best wishes,
Claire Gaskin - Headteacher

Please donate Easter eggs!!!!

Mrs Taylor and Mrs Walker will be baking a special sponge cake for every class, which will be decorated for Easter. Sainsbury's School Games News

Worfield's Winning Ways ... Part of the Shropshire Success Story

Worfield pupils were out in force recently at the Shropshire Homes Winter School Sports Festival, part of the Sainsbury's School Games programme.

The event, which took place at the Shrewsbury Sports Village at the beginning of this month, saw four Worfield teams represent East Shropshire in this twice-yearly celebration of Shropshire sporting talent. To participate in the event, the teams had to come through a series of hard-fought qualifying rounds against other local schools and were successful in hockey, girls' and boys' sports hall athletics and cross-country. The children were thrilled when they discovered that, for the fourth time running, East Shropshire were winners of the whole event.
