### Polite Reminder

Dear Parent,

Earlier this week our school central heating boiler presented us with some problems. Most children did not notice there was an issue as temporary heaters were used in the affected classrooms. I am pleased to report that the issue which was linked to the gauge has now been rectified; somewhat reassuring given the recent cold spell! Should we have any further significant snowfall which disrupts normal service please note that information about any emergency closure would be sent by our texting service to parents who have registered a mobile number with us, as well as being broadcast on local radio stations, and displayed on the local authority website. Our Emergency Closure Policy is available on the school website.

Thank you to all the parents and friends who supported the "Friends of Worfield School" fundraising events last term. Anyone who has an interest in supporting the work of the Friends and School fundraising activities are warmly invited to an informal coffee and get together next Thursday 22<sup>nd</sup> January 9am. Meet in the hall.

This term the Friends of Worfield School want to raise money for cookery equipment in each class. Cookery is an enjoyable part of our curriculum where the pupils can apply their maths by weighing and measuring ingredients. The Friends will be discussing ideas for a "Big Bake Off" at School later this term. We hope the children can all make Easter biscuits in class which they can sell to parents near the end of term. If you are a keen baker and can spare an hour to help bake with your child's class please come to the next meeting and sign up! For further information or to pass your name to the list of helpers please contact Mrs Holt.

Kind regards,

Claire Gaskin  
Headteacher
