Dear Parent,

Welcome back to the summer term. I trust that you enjoyed the Easter break. Thank you to those parents who attended a parental consultation on Thursday 26th March and met with your child/ren's class teacher to discuss their progress. Our children can only benefit from home and school working in close partnership.

We are hoping to hold our annual school summer fete later on this term. This is always a great event which the children look forward to and enjoy very much. Last year's fete raised £1,555.93 and we are keen to repeat this success.

The summer fete is one of the many fundraising events that is organised by the "Friends of Worfield School." This event requires a lot of preparation and planning and can only take place if there are enough parent volunteers who are willing to help. Anyone who has an interest in joining the Friends or who would be willing to help out in any way with the fete, is warmly invited to an informal coffee and fete planning meeting on Thursday 23rd April at 2pm with both myself and Mrs Holt in the school hall.

I look forward to seeing many of you there!

With best wishes,
Claire Gaskin - Executive Headteacher

Holidays in Term Time

"There are only 190 statutory school days in one year. There are 175 days (weekends and school holidays) available to use for holidays, which would not have a negative effect on your child's education.

Every School Day Counts

Holidays in term time will not be authorised unless there are exceptional circumstances. Please do not book holidays before speaking to the Headteacher.
