Final Week for Sainsbury's  
vouchers - please send them  
into school, Thanks

Dear Parent,

Welcome back to the final half-term of this school year.

As summer approaches we are busily preparing for our annual summer Sports Day event which this year is to be held on Thursday 25<sup>th</sup> June. Please ensure your child has their P.E. kit in school every day so that on days when we have good weather we can get outside and practise.

Next Friday is the first of our Fete Fridays and children are invited to attend school in their own clothes in exchange for £1 which will go into our fete funds. As the day of the fete rolls nearer check out the list of 'Fete Friday' events listed overleaf and see how you can join in the fun and support this event.

We will be holding a prize raffle at the Fete, and would be very grateful of donations of any items which would make suitable raffle prizes. These can be a gift item or a voucher token for a gift experience. Please inform the school office if you have anything you can offer.

We still need many more volunteers to assist with the organisation and running of the Fete, if you can spare some time to help in any way with the preparation or can spend some time on a stall on the day please, please do. We need willing helpers to make this event a success.

Next week promises to be very exciting as it is 'Creativity Week' for the whole school. Classes will be taking part in a range of art and craft activities including: singing, painting, printing, mark-making, craftwork and composing. Also, creative writing and problem solving will feature.

If you have an artistic, musical or craft interest that you would be happy to share, please talk to your child's class teacher about coming into school to show us your talent. Your child may like to bring a favourite art or craft resource to show others what they have made. On a practical note, please encourage your child to bring an old shirt or t-shirt to wear over their uniform for the messy activities!

We hope that this creative week will also provide some wonderful examples of artwork for a special end of year art gallery. You can look forward to seeing one of your child's best art work framed as part of their class gallery. Just like a real gallery, each child's framed artwork will be for sale; your chance to buy an original before they are famous artists!

Wishing you a great weekend,  
Claire Gaskin  
Executive Headteacher

Don't forget to  
bring 20p on  
Monday to  
order your fruit  
smoothie

## Walking Bus Driver Wanted

Thanks to Mrs Emma Cartwright, the Walking Bus has again been very successfully operating since March this year, with Emma as 'bus driver', and a number of parents helping out as Bus Conductors.

In our new hi-viz vests, the number of children walking from the Village Hall to school on a Friday morning has been between 12 and 16 children. During that time we have earned lots of badges and the sun has shone every Friday morning.

We would like to continue the bus on a Friday morning from September, but will need a new 'Bus Driver'. If you feel this is something you would like to consider then please contact the school office.

## Worfield Girls are on their way to the Cricket County Finals!

The annual Girls' Kwik Cricket tournament took place at Worfield Cricket Club on Monday, with teams from around the Bridgnorth area taking part. Worfield girls played extremely well, with them all showing a strong commitment to their team, which resulted in them winning on the day. They will now go on to represent Bridgnorth at the County finals, which will be held at the end of June, at Shrewsbury Cricket Club. Fingers crossed for better weather girls!

## Tri-Golf

Students from years 3-6 took part in a fun filled afternoon at Bridgnorth Golf Club, on Monday afternoon; where they were putting their skills to good use, in a range of multi-skill games and target shooting sessions. The four teams that represented Worfield demonstrated some great control and co-ordination, with a few of them getting a hole in 2! Despite our biggest battle being the weather our year 5 team came 2nd. Well done to all who took part.

A huge thank you to all parents who have been able to support their children at the events throughout the year. Without your help with transport and supervision, these fixtures would not be able to run.
