-----------------------	------

Thursday

Wenlock	Spellings
---------	-----------

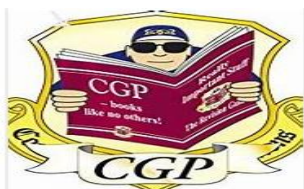

Friday

Wenlock and Brecon	P.E.
--------------------	------

Dates For the Diary

Monday-Weekly Paddington

PTA (Friends of Worfield)
Our PTA have very kindly offered to buy CGP books for our children. If you feel you would like to supplement our home-schooling offer with an English/ mathematics CGP book please let us know by emailing our admin address.

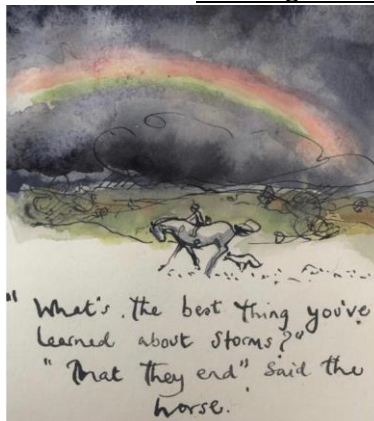

Technology-don't you just love it!

If you do not have a tablet/ desktop computer or laptop please let us know. We know of a couple of families that are trying to home-school more than one child using a phone currently. They have been ear-marked for one of the 5 laptops we have received through the government scheme. Please let us know if you have more than one child and you are trying to home-school from a phone.

Similarly if you do not have a printer, let your child's class teacher know and packs will be developed for collection.

If you are self-isolating I'm sorry to say that you would not be able to visit school until you have completed 10 days of self-isolation.

Learning in school and at home

It is crucial that we try to be kind to ourselves while we are juggling so much on a daily basis. It is also okay to share when we are struggling with one another. Everyone, old and young have good days and bad days especially at the moment and it is absolutely ok, not to be ok. We are all trying to look after others, but it is critical we look after ourselves too.

Many of our families are affected by the virus currently and the priority is, to re-cuperate in order to gather the strength needed to carry on.

The bravery shown by our eldest generation, by lining up to receive their COVID-19 vaccines I'm sure humbles us all. There are bulbs and buds and other signs of Spring which signals to us the storm that is currently raging is going to soon be replaced by warmer weather and brighter days.

Prayer

Dear Father
We praise you, God, for being a rock. Please provide me with the comfort that the trials we face in this difficult times are just part of our journey. Give us the strength to see the good and joy and look forward to easier times ahead. Although the world is uncertain, we thank you for the hope you bring. I pray His light shines brightly in this dark season to guide us.

Amen
